

BERGMAN DACEY GOLDSMITH

CALIFORNIA'S LEADING LITIGATORS

Success in court, arbitration or mediation takes skill, experience and dedication. It takes attorneys who never overlook a detail. And it takes problem-solvers who can create short- and long-term strategies. Not only do these strategies get results, but they're also cost-effective.

BDG attorneys are experienced in state and federal forums and handle matters involving business disputes, construction and facilities, labor and employment, environmental law, complex litigation, small class actions, insurance, public law, real estate and products liability. BDG is passionate about service and assists with matters around the globe. Available 24-7, BDG's team prepares a litigation plan and a budget for each case, promoting preparedness and efficiency.

In addition to its four attorneys on the 2012 *Southern California Super Lawyers*® list, BDG congratulates three members named to the *Southern California Rising Stars* list.
