LOS ANGELES / IRVINE

### SOUTHERN CALIFORNIA'S COURTROOM MASTERS

Bergman Dacey Goldsmith is home to one of California's best team of litigators, providing a wide range of legal services to major corporations, public entities, small businesses and individuals across the state.

For 30 years, these Southern California attorneys have been expertly navigating the federal, state, and local legal systems for their clients. With an emphasis on pre-litigation preparation, they are tough negotiators. And when a matter proceeds to court, these are the litigators who understand the court system and the judges, and have the legal expertise it takes to be victorious. The firm routinely uses numerous avenues to obtain the best results for its clients, including mediations, arbitrations, trials, writs and appeals in state and federal forums.
